PDE Learning Experience Evaluation

Dear Professional Development Educator,

The Office of Field Experience at SUNY Plattsburgh appreciates the tremendous amount of time and effort that you contribute when mentoring a student teacher. Sharing your expertise is vital to the success of our program.

The Learning Experience Portfolio is a collaborative effort to help our student teachers have the necessary confidence and competence to demonstrate their knowledge of assessment and understanding of the New York Learning Standards and Core Curricula. *SUNY Plattsburgh's Learning Experience is a modified version of the New York State Academy for Teaching and Learning Statewide Peer Review Learning Experience.*

In the space below, please write a brief response commenting on your student teacher's abilities to make an impact on your students' learning & your student teacher's ability to create a supportive learning environment.
